

REMARKS

This paper is submitted in response to the Office action mailed January 10, 2008. This paper withdraws claims 8-10 and 27-29. After entry of this paper claims 1-7, 11-26 and 30-32 will be pending with claims 8-10 and 27-29 withdrawn.

In the Restriction Requirement, the Examiner alleges two distinct inventions:

- I. Claims 2-7 and 21-26, drawn to "measured/historical rotation;" and
- II. Claims 8-10 and 27-29, drawn to "random rotation."

The Examiner requires restriction to one of the aforementioned inventions under 35 U.S.C. § 1.21. In response to the Restriction Requirement, Applicant elects Group I, claims 2-7 and 21-26, without traverse. Accordingly, claims 8-10 and 27-29 are hereby withdrawn.

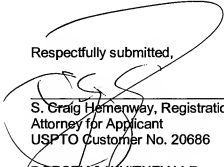

The Applicant thanks the Examiner for his thorough review of the application. The Applicant respectfully submits the present application, as amended, is in condition for allowance and respectfully requests the issuance of a Notice of Allowability as soon as practicable.

This Amendment is submitted contemporaneously with a petition for a two-month extension of time in accordance with 37 CFR § 1.136(a). Accordingly, please charge Deposit Account No. 04-1415 in the amount of \$230.00, for a two-month extension of time fee. The Applicant believes no further fees or petitions are required. However, if any such petitions or fees are necessary, please consider this a request therefor and authorization to charge Deposit Account No. 04-1415 accordingly.

If the Examiner should require any additional information or amendment, please contact the undersigned attorney.
